

Cover Letter

About me

I am a web developer live in Vadodara, Gujarat. I have 6 months plus experience in web development. I work as a project guide for B.E, Diploma, final year students. I want to work with reputed institute to enhance my career as a web developer. Web development is not just my work but it's my passion too.

Divyeshkumar Chauhan
BE E&C (2018)

My past

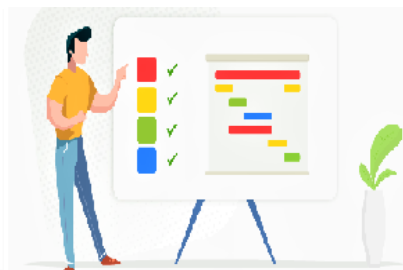

After Completion of my Bachelor of Engineering I had started my job in NBC Bearing Pvt Ltd (CK Birla group) as a Maintenance Engineer but my interest was somewhere in web development so I had resigned the job and started working with C Programming, C#, Asp.net and many more. Gradually I had improved my self in this field and become a full stack web developer. I had created some professional web applications to enhance my career in this field.

My Present

I am an article writer

I write technical articles at Csharpcorner on regular basis. Csharpcorner is a one of the biggest Community for Developers and IT Professionals.

Currently working as a project guide and full-stack web developer (Self employed from Dec,2019 to till Date).

I work with Asp.net mvc framework and use C# language.

My major projects / works:

I had created a Shoppingsite using Asp.net MVC and MySQL server. It is a fully featured shopping web application along with the PayU money payment gateway and auto generated email sending option.

I had created Employee leave management system using Asp.net MVC and MySQL server. I had integrated it with SMS gateway so employee get the notification of the approved leave on there cell phone.

I also write technical articles at Csharp-corner. This is my profile link <https://www.c-sharpcorner.com/members/divyesh-chauhan3>
